A Great Old Man

(Vancouver Sun)
In common with all Canadians, The Sun takes pleasure in congratulating Sir Charles Tupper on the attainment of his ninetieth birthday. As Sir Charles Tupper is now a resident of Vancouver and has announced his intention of making this his permanent home, the greetings he receives here will of necessity assume a more intimate and friendly form than they otherwise would. They are so to speak, offered to him personally and directly. As the only remaining father of Confederation, Sir Charles Tupper occupies a unique position among the citizens of the Canadian Dominion. He can regard the prosperity and progress which the country is now enjoying as in no small degree the work of his own hands. In looking back over the forty-five years which have intervened since the date at which Confederation was accomplished he can mark as no one living can the tremendous changes which have taken place in the country, and can realize the fruits of the broad statesmanship of the small hand of which he was one of the most important members. To the average Canadian, familiar with Canada's history, the great outstanding events in the progressive march of the country are well known, but to one who has had so much to do with moulding the country's destiny they possess a special and peculiar interest. It is the West alone which owes a debt of gratitude to Sir Charles Tupper. It was due to him and to Sir John Macdonald, more than to any other of the statesmen of the Dominion, that the conditions were created which made it part of the Dominion and gave it the opportunity for development. And the West has abundantly justified the hopes and expectations formed for it by these men. The promise of imperial greatness which it gave while yet a wilderness has been fulfilled. Great cities have arisen and resources inexhaustible in extent and priceless in value are making the country opulent beyond the dreams of nation builders. That Sir Charles may live to see even a larger realization of the vision he formed, nearly half a century ago, for the future of the Canadian Confederation, will be the wish of the people of this country.

Western Canada League

WEDNESDAY'S GAMES.
At Calgary the Deers and Brooks played a ten inning scoreless game. Standings for Calgary allowed only three hits, and Daniels for Red Deer allowed only seven and they were well scattered. This is the first scoreless game of the league, and also the first that has gone to extra innings in Calgary. Score by innings:—
Red Deer 0000000000
Calgary 0000000000

In Edmonton Bassano and Edmonton broke even in a double header. Bassano took the early game 3-1, and Edmonton the evening game 4-1.

THURSDAY'S GAMES.
Red Deer defeated Edmonton by 6-4 in a close game. At the end of the 7th Edmonton led by 4-3, but Ford won a little in the air and Red Deer cut in three more runs. Both Manning and Ford were hit rather freely, but Manning fanned 12 men. The score by innings:—
Red Deer 02000103-6
Edmonton 00300010-4

In Calgary Chesty's bunch put one over Brooks by 7-4. Calgary had their new pitcher, Barkman, in for a trial, and he did alright, but he had poor backing. The score by innings:—
Calgary 00030100-7
Edmonton 00000002-4

FRIDAY'S GAMES.
Red Deer again won at Edmonton by 3-1 before the storm stopped the game at the end of the eighth inning. Edmonton got more hits off Dunn than Red Deer got off Hinrich, but their hits did not come at the right time while those of Red Deer came at the right time. The game was a close one until the eighth and last inning, when they managed to tally their long one.

The box score is as follows:—
Red Deer AB R H PO A E
Daniels, cf 4 0 2 0 0

There were no games in Calgary on Friday on account of rain.

Malcolm—Tucker

The Saskatoon Phoenix of July 2nd contained the following account of the wedding of one of our respected citizens.

One of the prettiest weddings of the summer was celebrated yesterday at twelve o'clock at the home of Mr. and Mrs. J. C. Bell, Saskatoon, when Miss Gerda M. Tucker became the bride of Mr. James L. Malcolm, of Red Deer. The ceremony was performed by Rev. Wylie C. Clark. The bride was accompanied to the drawing-room and given away by Mr. Bell, while the duties of matron of honor were performed by Mrs. Bell. The bride was exceedingly sweet in a wedding gown of shot silk in opalescent tints, trimmed with lace. The shawl bouquet she carried was of white carnations and lilies of the valley, tied with broad white ribbons. The matron of honor was a very attractive young woman in white silk mill, finished with insertions of lace. The fire place near which the bridal couple stood was banked with cut flowers, while ropes of smilax were festooned from the mantel. After the ceremony and the congratulations were over, the wedding guests, numbering a dozen, sat down to a most tempting dejeuner. The table was centred by a cut glass bowl of white cut flowers on a crystal mound, which was encircled by smilax and pink and white carnations. Smaller baskets of cut flowers, together with handsome china and silver appointments, completed a most artistic effect. Besides the host and hostess and the bride and groom, there were present Mr. and Mrs. Clark, Mr. and Mrs. R. J. Malcolm, Miss Margaret Oliver, Miss Malcolm, of Winnipeg, and Mr. C. Tucker. Mr. and Mrs. J. L. Malcolm left on the afternoon train for the C.P.R. station for Edmonton, and Red Deer, at which latter place they will reside.

Pope to Suppress Some Sisterhoods

London, July 3.—The Milan correspondent of the Daily Chronicle telegraphs that the pope is about to take drastic action against the numerous communities of nuns that are springing into being in the Catholic church. The correspondent says these congregations are multiplying at such a rate and with such pretensions of autonomy that bishops no longer are able to control them. The pope in consequence has decided to suppress all sisterhoods in existence less than ten years and which have less than 50 members under conventual vows.

MARKET ONLY EGGS YOU KNOW TO BE FRESH

Produce Section of Toronto Board of Trade Sends Out Timely Circular

The produce section of the Toronto Board of Trade decided to ask farmers to co-operate with them in their endeavor to give the consumer an egg fit to eat every day in the year. With a view to eliminating the shrinkage entirely the consumers will be asked to observe the following rules:—
(1) Provide plenty of clean, dry nests for your hens. (2) Gather the eggs daily in cool water and twice a day in hot or rainy weather. (3) Do not wash eggs. Use the dirty, small, very long and grass-stained eggs at home. (4) Keep eggs in a cool, dry place, which is free from draughts. Market your eggs twice a week if possible. (5) Don't sell eggs which were found in a stolen hen. (6) Keep your nest out of the sun when taking them to town. (7) Don't keep eggs near oil, onions, etc., they really absorb odors. (8) Don't sell eggs known to be bad or which have been in an incubator. (9) Don't sell eggs which are not to be allowed with hens, except for breeding purposes. After that period kill roosters, save feed, and improve your egg product.

SECOND SIGHT AT 94

Remarkable Old Lady Growing Young as She Nears Century Mark

A second growth of hair at ninety is a rare thing to be sure, but a second sight at ninety-four is a still more singular occurrence. Yet in the case of Mrs. Mary Ann Lippitt, of Lippitt street, Toronto, both of these phenomena are presented. Mrs. Lippitt is an old lady, seventy years of age, except that she walks with a slight limp, as a result of a fall six or seven years ago, and has the air of a young girl, she is almost as young as a girl. Her husband, Mr. Lippitt, died in 1880, and she has since lived on a farm near Hagersville, Ont. "During these days may be said to be right," said the old lady, "but sixty years ago it was not so easy. First I cleared a small house, my husband built a small log cabin, and then we started to cut a clearing around it. When I think of all the wood-oak and walnut that we cut and burned, I feel envious." Her son Joseph, now in the Peninsular, Manitoba, when the Peninsular of 1866 broke out, joined a company at Cayuga, and went to Biddisway. Her eyes glinted as she commenced to speak of him. "We got word that he had been shot, and father went down to Cayuga, but he was told there that a mistake had been made. He was shot through his knapsack, but was not wounded seriously."

READING IN BED

Not Injurious to the Eyes if a Few Simple Rules are Observed

To those addicted to the practice of reading in bed the remarks of Dr. J. S. Seller will be of interest. He states that there is no valid reason to be urged against using the eyes in a proper manner in a recumbent position—such use is in the least injurious and can be persisted in for longer periods without damage than any other position. Three easy avoiders cause all the harm possible from reading lying down, the first often leading to the others. They are: insufficient or wrongly directed light, short reading distance, and tiring the eyes. The first is the most important to the line of vision. If, however, every one reading lying down will so arrange his lounge or bed that the light comes over the head without striking the eye, and falls well upon the page, he will hold his book at a long reading distance and take care that the light letters shall be at right angles to the line of vision. He can be sure of doing his eyes no more harm than if he were sitting up. More than that there is much positively in favor of reading lying down. Dr. Seller concludes: "The recumbent posture allows more rest of the body structures than the sitting posture. There is no strain, no possibility of resting and repair in that position."

WON HARVARD PRIZE

Distinguished Honor for Graduate of Queen's University

ARTHUR E. R. BOAKE, of Vancouver, B.C., a brother of Capt. H. E. Boake, Adjutant of the Royal Canadian Horse Artillery Brigade, won the best prize open to post graduates of Harvard University, the Raymond Cutting traveling fellowship, worth \$1,200 annually, in the Department of History and Economics. Mr. Boake was one of the Queen's most distinguished graduates, having taken his M.A. degree in 1906 when eighteen years of age.

CLEVER YOUNG CANADIAN

Mr. Lowden Barnett, B.A., son of Mr. and Mrs. William Barnett of Cobourg, who took his degree at Queen's University, Kingston, winning the gold medal in his brilliant science, has now won a \$400 scholarship in the University of Chicago. Mr. Barnett is twenty-one years old and is said to be the youngest graduate of any Canadian University to be awarded this coveted prize.

Field Grain Competition

SEVENTEEN ENTRIES FOR AGRICULTURAL SOCIETY'S PRIZES

The entries for the Red Deer Agricultural Society Field Grain Competition are now closed for this year, with the gratifying number of seventeen entries, as follows: Blackfalds—Roy H. Trout, John

Fluke, J. Capron. Hillsdown—Geo. F. Purdie. Edwell—W. Towers, W. B. Henderson, Bert Smith and G. F. Day. Penhold—Geo. Domoney, H. P. Domoney and Wm. Pennington. Red Deer—R. A. Lund, J. H. Comford, John W. Blain, John Ross, W. P. Cody and Hugh Bowser. The Agricultural Society expects to be able to continue this competition next year, but will endeavor to announce this early this fall so as to enable farmers to better prepare their land and to secure the best seed possible. The Canadian Land Co., who are giving the handsome \$100 first prize, and who instituted the competition, and the Directors, must feel very much pleased with the success of this event.

Reciprocal Trade With West Indies

Hon. A. J. Reid Makes Announcement of Canada's Agreement With Nearest Unit.

Ottawa, July 2.—Hon. A. J. Reid, acting minister of trade and commerce, announced yesterday the reciprocal tariff agreement entered into last April between the Canadian government and a number of the islands in the British West Indies. Briefly the agreement provides for a preference of 20 per cent. of the existing rates of duty upon a large number of articles specified in a schedule annexed, with a minimum preference in the case of flour and sugar. Provision is made for taking in the islands of the West Indies not parties to the agreement, as well as Newfoundland, within three years from the time it comes into force. Any of the parties to the agreement may provide that the concessions granted shall not be applicable unless conveyed by ship direct between the two countries concerned, provision being made in this connection by the regulation of freight rates by the Canadian government. The agreement is to come into force by proclamation after it has been ratified by the parties concerned and the secretary of state for the colonies, and may be terminated at the end of ten years on a year's notice.

Sylvan Lake Items

(Too late for last week)

Many improvements are taking place in and about the town which will be appreciated by intending visitors.

The new house in course of erection for Mr. Humler of Red Deer is now well advanced and should be complete by the time the season is fully open.

The number of visitors at present at the lake are not very numerous, but a considerable increase is expected this month.

The lake is surely a fine asset to the town, not only as a pleasure resort, but for commercial purposes, as for many trades an amply supply of good water is an absolute necessity, and in many cases can only be obtained at great expense.

We are pleased to be able to congratulate Mr. Rossi on his appointment as postmaster at Sylvan Lake. The appointment is a good one, as Mr. Rossi's well known courteous manner and willingness to oblige the public is a great advantage to the community. The post is one which requires considerable tact on the part of the holder, and we are satisfied the public will find that Mr. Rossi is the right man in the right place.

We hear there is a possibility of the lake becoming a commercial centre as well as a pleasure resort. We understand there is shortly to be erected a large manufacturing plant near the lake. We hope that this information is accurate, as it will certainly give a great impetus to the lake, which, coupled with the new lines of railway, will rapidly bring the town to the front. It is certain if one manufacturer comes others will follow.

Sale of Dead Timber Bow River Division of Rocky Mountain Forest Reserve

Sealed Tenders marked "Tender for Dead Timber Bow River Forest Reserve" will be received at the office of the Dominion Timber Agent, Calgary, Alberta, up to twelve o'clock noon of the third day of August, 1912, for the right to cut under permit the dead timber, and sell green timber as may be marked for removal on the following described tract of land: Sections 18 and 19, Township 28, Range 7, West of the Fifth Meridian; said timber having been estimated at 7,250,000 feet, board measure. Each tender must be on the proper form, and must state the rate per thousand feet board measure which the applicant is prepared to pay for the timber. The upset price of saw-timber is five cents per thousand feet. Each tender must be accompanied by a certified cheque or bank draft for two hundred and fifty dollars, which will be applied in payment of dues on timber cut by the successful tenderer. The timber must be removed within two years from the date of sale, and at the end of that period the right granted shall cease, and the purchaser will be charged double dues on all non-removable timber then remaining on the ground. The purchaser shall furnish sworn returns quarterly, showing the quantity of timber cut, and shall pay dues thereon in accordance with the conditions governing the sale. Further particulars may be obtained from the undersigned, the Dominion Timber Agent, Calgary, or the Supervisor of the Bow River Forest Reserve, Calgary.

Glance Over

The Top Edge

Of the turn down collars we have laundered. You'll find the edge is perfectly smooth, is moulded into exact shape and that the fold exactly follows the seam—does not stick up in the back, on one side or on one end.

Our shaper not only folds the collars with a perfectly smooth edge, but it shapes each end just as it is intended to be.

THE REGINA DISASTER

Cyclone Swept District for Eleven Miles

FARMERS HAD MANY NARROW ESCAPES

Regina, July 4.—Reports which are coming in from the country show that the cyclone swept over a district at least 11 miles southwest of here and many miles north. Farm houses which were in the track of its fury were picked up like toys and smashed into kindling wood and traces of them are being found miles around. The farthest report of damage is the home of Thos. Beare about 11 miles southwest of Regina. His house and that of his son were swept away, and all of the occupants were badly bruised and battered up, although not seriously. The next house in the path of the storm was that of Walter Stephenson. He and his wife were badly hurt and both are still in bed. Mrs. Stephenson was picked up 150 yards from the house. The force of the storm was such that she was practically stripped of her clothing. Incredible as it may seem, even the shoes on her feet were torn off. Mr. and Mrs. Stephenson came from Pickering county, near Whitby, Ont. They were only married three months ago.

SERIOUS VICTIMS.

Another newly married couple who were victims of the cyclone were Mr. and Mrs. J. Dunlop, who came from Western Ontario. They were married at Christ Church, Regina, only three miles out of Regina, was completely demolished and the contents of it and barn are scattered for miles around. Mrs. Dunlop has a wounded ankle, while she is badly bruised, although not seriously. Opposite their place was the residence of Robert Kerr. Andrew Roy, of Howick, Que., was visiting at Mr. Kerr's and was instantly killed. Mrs. Kerr suffered serious injuries and Mr. Kerr is still in the Regina General Hospital. His little daughter had her arm broken. Nothing is left of the buildings, even cement foundations are ground into powder. The Calvin Presbyterian church nearby is also badly wrecked. The next farm struck was that of John Mooney, which is owned by Mr. and Mrs. James, Old Country people. Both are in the hospital at Regina, along with their children and the hired man, unable to find accommodation. WILL ERECT HOUSES.

The railway officials decided to erect a large number of residences and they settled on plans for two classes of buildings. One a two storey house to cost about \$2,500 and the other a bungalow costing about \$1,800. If necessary they will build 500 of these houses. Tenders for the houses have been called for and work will be started at once. It is hoped to have some completed within ten days. Over 1,000 carpenters were at work today and more are pouring into the city on every train. All are at once put to work. Hundreds of barrels of lumber, also busy and the residences which were slightly damaged or do not have to be torn down are being put up for immediate occupancy in remarkably fast time.

The warehouse of H. W. Laid & Co. is in a shambled condition but it is being rapidly cleared up. Rapid progress is being made with Cushing Bros. mill and the factory will soon be ready to start work again. The board of the Methodist church this afternoon arranged to go ahead with the reconstruction of their church. They propose erecting a new building of similar proportion on the old site. The contractors will begin the work as soon as the debris is removed.

Regina, July 4.—Practically everything now is new business. Retrospection has no place in the mind of the citizens of Regina, and all attention is directed to the days to come, during which they propose to build a larger and better city. Everything points to its accomplishment and that as soon as possible. Amid the bustle of rebuilding and planning for the future the funerals go steadily on. Late Wednesday afternoon James Macdonald's body and that of one of his little daughters were laid away.

This family has suffered heavily, and Mrs. Macdonald and two more of her little ones are at present in the hospital. Good progress is being made on the north side in clearing away the wreckage from the wholesale buildings, and already the C.P.R. has a new frame freight shed almost ready to replace the one which was levelled last Sunday night. In this section, too, the residences, which were as a rule smaller than those south of the track, are gradually carried away or repaired as the conditions may require.

Away off on the prairie to the north east of St. John street the ground is strewn with wreckage. There were some little shacks in this vicinity, of which nothing is left behind water. One little cottage has three walls standing, but is without a roof or back, and through the open window the busy wife is seen putting out such of her household goods as have been gathered off the prairie, some of it three blocks away.

MANY TREES DESTROYED.
There is one effect of the storm that time can only remedy, that is the damage to trees. Every tree that was in the path of the storm is destroyed. They are all lying to the north, and in some cases are torn out by the roots, the branches have been twisted off and they are as bare of leaves as a telephone pole; in some cases even the bark is stripped clean off the trees.

After working night and day the street railway employees got in for 56 cents a large box, and they think so well of it that they will give your money back if it doesn't cure.

Hon. Frank Cochrane to Rough Long Trip.

Minister of Railways Will Go To Hudson Bay and Do His Share of Work.

Ottawa, Ont., July 2.—The Hon. Frank Cochrane, Minister of Railways and Canals, following the characteristic energy and self reliance which has marked his whole career as a pioneer in Northern Ontario, will eschew private cars and the comforts of the usual ministerial attendants and in his forthrightening trip of inspection of the route of the Hudson Bay Railway to Port Nelson will rough it like the regular surveyors.

It is the illuminating side light on the character of the man and the theory which he directs all the affairs of his department, to say he will make most of the journey in an ordinary canoe, taking his share of the paddling with his Indian guide, having to pitch camp, make fires and cook meals during the ten days' journey.

Unreserved Credit Auction Sale at Nine Months

The undersigned has received instructions from Mr. James White, Clearview, and will sell by public auction at his place, on W. J. 15-37, 27, W. 4th, 2 miles south of Clearview school, 6 miles from Red Deer and 6 miles north-east of Penhold, on

FAREWELL TO MRS. R. L. GAETZ AND MRS. BRUMPTON.

On Friday afternoon the Woman's Hospital Aid, and Ladies' Aid and Missionary Society of the Leonard Gaetz Memorial Church took advantage of Mr. G. W. Smith's "At Home" to meet Mrs. R. L. Gaetz and Mrs. Brumpton before leaving town.

Mrs. G. W. Greene, on behalf of the ladies, presented a farewell gift of handsomely bound editions of Scott and Milton poems.

Mrs. Gaetz, President of the Missionary Society, read an address expressing thanks for their kindly assistance in their work and regretting very much their loss to the different societies.

Mrs. Gaetz and Mrs. Brumpton were charter members of the Hospital Aid and have assisted very materially in building up our hospital. The good wishes of all the Aids go with them to their new home.

WEDDING BELLS

A Leading Merchant Weds

H. D. McLean, of the firm of McLean Bros., general merchants, has been receiving the congratulations of his numerous friends on his marriage, which took place in London in June. Mr. and Mrs. McLean arrived in town from their extended wedding trip a short time ago, and have taken residence in the house formerly occupied by Mr. Dempsey, Fourth Street North.

A large number of the friends of the happy couple greeted them along the line from the east at Winnipeg, Regina, Brandon and other places. We take the following account of the wedding from an eastern paper:

A pretty house wedding was celebrated in London, Ontario, on Tuesday, June 11, at the home of Mrs. Child, 788 Wellington St. It was the occasion of the marriage of Miss Edna Maude, daughter of the hostess, to Harry Denoon McLean, of Red Deer, Alberta. At 6 o'clock the party took their places in the drawing room beneath a bridal hall of flowers, the bride being given away by her uncle, S. B. Best, of Windsor. Little Miss Doris Andrews, of Godrich, was the winsome flower girl, while the groom was assisted by Charles B. Child, of Cochrane, brother of the bride. The ceremony was performed by the Rev. Thomas Mitchell, of New St. James' Presbyterian church, London, and the wedding march was played by Dr. Peavoe, organist of the same church. Harriet Reinhold, of Toronto, rendered the solo, "Because." The bride was charmingly attired in white duchess satin and tulle veil, and carried bouquet of white roses and lilies of the valley. The groom's gift to the bride was a gold wristlet watch. Among the guests were Mr. A. P. McLean, Miss McLean, Mr. and Mrs. J. F. Andrews and daughter, Mr. and Mrs. A. D. McLean and daughter, Mrs. W. L. McLean, all of Godrich; F. H. McLean of Red Deer, Alta.; and Mrs. B. Stanley, of Lacan. Other guests were present from Toronto, Stratford, Cochrane and Windsor. All the guests from Godrich made the trip in automobiles. Prior to the departure of the Grand Trunk train for Sarnia the wedding party, accompanied by the guests in automobiles, formed a gay procession and proceeded to the G. T. R. station, where Mr. and Mrs. McLean were given a royal sendoff. They boarded the handsome streamer Hamilton for a trip up the Great Lakes to the residence of Mr. and Mrs. McLean, and afterwards they will take up their residence in Red Deer, Alta. The groom is an old Godrich boy, and his many friends here join in extending best wishes for a very happy married life.

On Wednesday afternoon, June 26, at the residence of Mr. John Bickley, Ridgewood, brother of the bride, by the Rev. W. G. Brown, Miss Frances Bickley, formerly of Godrich, to Mr. Oscar Edward Silverberg, of Ridgewood.

On Friday, June 28th, at the hour of high noon, by the Rev. W. G. Brown, at the residence of Mr. Henry Johnson, of the Lake, father of the bride, Miss Martha Frances Jamieson to Mr. Thomas Christopher Ferguson of Red Deer.

Provincial Orange Celebration at Wetaskiwin

Special train leaves Red Deer, July 12, at 10:10 a.m., returning at 8 p.m. Return fare, \$1.65. 65 Lodges will be at Wetaskiwin. Great band contest, in which the Red Deer Citizens Band will take part; also tug of war for the Edmonton Cup, held at present by Red Deer Orangemen. There is a good programme of athletic sports. Everybody is welcome.

Hillsdown

The annual picnic took place on Saturday, July 6th. The afternoon was fairly fine, and those who were present thoroughly enjoyed themselves, though the threatening state of the weather doubtless kept many others away.

The baseball match did not materialize as the visitors failed to put in an appearance, but there were sufficient players on the ground to make up two teams, and the game was close and exciting. The foot races were well contested, Miss A. Wild, of the Moose, and Misses Vie Moschenross and Tom Hughes, whose untiring energy carried the day's programme to a successful issue.

CORRESPONDENCE

Red Deer, July 8, 1912. To the Editor of The News.

Dear Sir—With your consent, I would like to answer Mr. Wilson's letter in the last issue of the Advocate. He appears to have got hit in up two teams, and the game was close and exciting. The foot races were well contested, Miss A. Wild, of the Moose, and Misses Vie Moschenross and Tom Hughes, whose untiring energy carried the day's programme to a successful issue.

I am certainly ignorant of the want of "Good Roads" name, whose letter I answered. He next says I am ignorant of affairs in this district. I am not sure that I have any place, he will give me a run for my money. I don't quite understand this, but hope he has no reference to the using of dangerous weapons, as I have no wish to see Mr. Wilson's children left fatherless. In his last sentences about not fearing a lion but being afraid of a cur, I must congratulate Mr. Wilson for his good sense of self preservation, for when we meet lions in these parts we can easily sense at his growling, as he is well secured behind iron bars, but a great many of the cubs that are running the streets would as soon bite your heels as yours. Thanking you in advance, I remain, Yours,

A LOVER OF FAIR PLAY.

If you want to have your old clothes look like new take them up to J. W. Ross, Post Office Block.

PUBLIC NOTICE

Notice is hereby given, that in accordance with a largely signed petition of ratepayers handed to me this day, praying that I declare Wednesday afternoon July 17th, a public holiday, I do hereby declare the said Wednesday afternoon a public holiday, and ask all citizens to govern themselves accordingly.

R. B. WELLIVER, Mayor. Red Deer, July 8th, 1912.

GRINDSTONES

IT PAYS TO USE GOOD TOOLS but the best is no better than the cheapest when it is dull.

A SHARP SICKLE takes half the work off your horses. Infact sharp tools always make easy work and save time and energy.

OUR GRINDSTONES are easy running, mounted on wood or steel frames, turned by crank or treadle and will put a keen edge on an ax or hatchet, scythe or sickle in a few minutes.

WE ALSO HAVE whetstones, and emerystones, as well as oilstones for mechanics tools.

WE price such goods on a mighty close margin, for we sell good tools and want them to do good work.

The Day Hardware Co.

WE STAND FOR PROGRESS

LOANS

The Directors of one of our Loan Companies were here recently, and advised us that we could loan out \$100,000 during next 30 days, on improved town property, and unlimited funds on improved farms.

Loans are put through promptly and with a minimum of expense with interest at 8 per cent per annum. This is a straight company, no monthly payments and can be secured if desired with all the principal money repayable at end of term, by paying interest only every six months. Let us give you full particulars of our loans.

HAIL INSURANCE

We have completed arrangements with a responsible company to handle this business for us at rates, which we think, will compare favorably with any company doing this class of business.

NOW IS THE TIME TO INSURE.
